WEB DEVELOPER

I am an aspiring web developer and cloud enthusiast looking for opportunities to grow and constantly upskill myself with the latest technology trends. I have knowledge of full stack development and love working with cloud services along with different APIs.

TECHNICAL SKILLS

Languages	:	JavaScript, Java, Typescript, C, HTML, CSS
Frameworks	:	React.js, Node.js, Express, Next,js
Libraries	:	Material UI, Redux, React Router, Tailwind, Bootstrap, Framer Motion
Cloud Services	:	Firebase, GCP, AWS
Dev Tools	:	Git, Github

EXPERIENCE

- I have been developing dynamic and responsive websites using **HTML, CSS, JavaScript, React Js, APIs and, AWS and GCP** for the past couple of years
- Participated in multiple hackathons and worked on the **front-end, API use cases and deployment** part of projects
- Contributed to open source projects in programs like **Hacktoberfest 2022 and Social Winter of Code 2022**
